describes the cholera epidemic of 1831 1834

**Cholera 2005**

Fournier sends out a cry from the front lines about the overwhelming role poverty plays in the spread of AIDS his awakening came in the early 1980s when as a faculty physician at the University of Miami Medical School he saw AIDS spreading through the city's Haitian population he tells stories of patients men women and children with clear signs of AIDS believed at that time to be a disease of gay men and drug users and how they were stigmatized by medical personnel among others Fournier gives a moving account of Regis a Haitian dentist who may have contacted the virus through his work in medically primitive conditions the author became completely committed to understanding this illness and with supportive colleagues he traveled many times to Haiti and founded Project Medishare devoted to improving Haiti's health care system he was especially successful in the town
of thomonde establishing an initiative to train physicians and nurses fournier offers brutal descriptions of the poverty that fuels aids in haiti a country where malnutrition reigns young women are forced into prostitution and orphanages abound publishers weekly

The Zombie Curse 2006

dr cantopher provides a comprehensive accessible overview of depressive illness which affects over 15.5 million people in the united states guiding the reader through the nature of depression its history symptoms causes and treatments as well as myths about it along the way warm and supportive this new edition which also includes the latest on medications stresses that sufferers should not blame themselves but can take hope from the fact that there is meaning in their illness and that getting better is a real option generously supplied with illuminating anecdotes and insights this book has specific advice about what to do if you are currently unwell as well as valuable information for caregivers medical professionals or anyone interested in this destructive illness which is set to become the second biggest health burden in the world after heart disease

lessons from one of the UK's most esteemed psychiatrists Dr Tim Cantopher spent four decades helping people get better. Get better psychologically, emotionally, mentally. He has guided hundreds of men and women through anxiety, depression, addiction and other mental health issues in the power of failure. He will share with you some of the most powerful lessons learned from his life in the psychiatrist's chair. With the aim of helping you get more joy from your life, to become more resilient and to achieve more by no longer fearing failure, navigating the pitfalls of vulnerability and perfectionism. Dr Cantopher will show you how optimism and resilience can change the outcome of challenging events and how to find lasting happiness that won't be derailed by negative emotions such as shame or fear. As an expert on toxic and dysfunctional relationships, he will give strategies for surviving narcissistic or destructive behaviours in your family or friends and explain the benefits of kindness, consistency, persistence and pacing. Bringing together a lifetime's work in psychiatry with unparalleled expertise and clinical insight, this new book from the bestselling author of 'Depressive Illness: The Curse of the Strong' has the power to change your life in the same way that Dr Cantopher has changed the lives of the many hundreds of people who have sought his help over the years.

**The Wolf Trials (Lycorp Book One) 2016-06-30**

The complete collection of Alexa Egan's not-to-be-missed romantic 'Times Innada Brotherhood' novellas. A dark and sexy series about a clan of shape shifters living secretly among humans. Awakened by a curse, university student James Farraday and professor's daughter Katherine Lacey embark on a cursed quest to find Katherine's father who vanished while studying a mysterious ancient obelisk. As they unravel the mystery, legends point to the existence of the Innada, a race of shape shifters said to have died off a thousand years ago or is the professor's disappearance the result of a very human villain? Soon James and Kate's search for the truth means fighting for their lives. Yet every hour they spend together exploring the past leads them to a very present and irresistible temptation. Unleash the curse. Neither actress Sarah Haye nor London's most eligible bachelor Sebastian Commin, the Earl of Deane has ever forgotten their scandalous night of white hot passion. And the differences that make a future together impossible. Yet they find themselves back together as they try to solve the mystery of a brutal attack on an Innada shape shifter and a sinister entity known as the Naxos. When the Naxos strike again, Sarah realizes she's willing to risk a little scandal to save the world and the man she loves. Vanquish the curse. Lady Estelle Swann didn't come to London in search of a husband. Instead, she's here hunting for one of the magical keys of Gylferion in hopes of preventing a war between Fey blood and shape shifter. So when the notorious scoundrel Lt. Jack Ramsay turns his dangerous charms her way, she's more than a little suspicious but he's after something else. Something that leads the couple on a mission both complicated and deadly. Soon Estelle and Jack find themselves fighting not only unseen enemies but their own very dangerous attraction.
