When in 1999 Suzuki introduced the GSX1300R Hayabusa, the Peregrine Falcon, it was the fastest production motorcycle in the world. Many claims have been made on the GSX1300R, including a machine so unique when it was introduced that it required its own new classification—ultimate sport. Combining seemingly effortless acceleration, wind-cheating aerodynamics, sporty handling, timeless style, long-distance comfort, and unlimited excitement, it was built to deliver balanced performance.
