the state for more than thirty years ready's distinctive view of the state's history integrates tales of famous pioneers, statesmen, soldiers, farmers, and captains of industry as well as community leaders with often marginalized voices including those of African Americans, women, and the LGBTQ community that have roiled North Carolina for decades. This beautifully illustrated volume gives readers a view of North Carolina that encompasses perspectives from the coast, the Tobacco Road region, the Piedmont, and the mountains from the Civil Rights struggle to the building of research triangles, triads, and parks. Ready recounts the people, events, and dramatic demographic shifts since the 1990s as well as the state's role in the rise of modern political conservatism and subsequent emergence as a modern megastate. In a concluding chapter, Ready assesses the current state of North Carolina, noting the conflicting legacies of progressivism and conservatism that continue to influence the state's political, social, and cultural identities. Ready provides a skillful and well-written addition to the state's historical literature. Jeffrey Crow, author of New Voyages to Carolina, Reinterpreting North Carolina History, provides an eminently readable, fast-paced, and thorough survey of North Carolina's past. Alan D. Watson, University of North Carolina at Wilmington, offers a scholarly and compelling story of the divergent experiences of the state's masses, full of interesting facts and details that are often absent in other studies on the same subject. Joyce Blackwell, President, the Institute for Educational Research, Development, and Training, notes it is essential reading for anyone who seeks to understand the history of North Carolina and will be of immense benefit to those interested in the roles African Americans have played throughout the history of the state. Olen Cole Jr., North Carolina A&T State University, in 1961, a thirty-year-old soft-spoken coach took over a basketball program that had been rocked by accusations and internal concerns regarding recruiting violations and the image of the team. Today, that coach has won nearly 80 percent of his games, finished first in the Atlantic Coast Conference 17 times, won 12 ACC tournament titles, one Olympic gold medal, an NIT trophy, and two NCAA championships. Among the athletes he has put on the court are players named Jordan, Stackhouse, and Worthy.

Discovering North Carolina

for over 125 years the daily tar heel has chronicled life at the university of north carolina at chapel hill and at times pushed and prodded the university community on issues of local state and national significance. thousands of students have served on its staff many of whom have gone on to prominent careers in journalism and other influential fields. print news and raise hell engagingly narrates the story of the newspaper's development and the contributions of many of the people associated with it. kenneth joel zogry shows how the paper has wrestled over the years with challenges to academic freedom, freedom of speech and freedom of the press while confronting issues such as the evolution of race, gender, and sexual equality on campus and long standing concerns about the role of major athletics at an institution of higher learning. the story of the paper, the social media platform of its day, uncovers many dramatic but perhaps forgotten events at unc since the late nineteenth century and along with many photographs and cartoons not published for decades opens a fascinating window into tar heel history examining how the campus and the paper have dealt with many challenging issues for more than a century. zogry reveals the ways in which the history of the daily tar heel is deeply intertwined with the past and present of the nation's oldest public university.

The Pettigrew Kirkland Macrae Brigade was one of North Carolina's best known and most successful units during the Civil War. Formed in 1862, the brigade spent nearly a year protecting supply lines before being thrust into its first major combat at Gettysburg. There, James Johnston Pettigrew's men pushed back the Union's famed Iron Brigade in vicious fighting on July 1 and played a key role in Pickett's Charge on July 3. In the process, earning a reputation as one of the hardest fighting units in Robert E. Lee's Army of Northern Virginia. Despite suffering heavy losses during the Gettysburg campaign, the brigade went on to prove its valor in a host of other engagements. It marched with Lee to Appomattox and was among the last Confederate units to lay down arms in the surrender ceremony. Earl Hess tells the story of the men of the Pettigrew Kirkland Macrae Brigade and especially the famous 26th North Carolina, chronicling the brigade's formation and growth under Pettigrew and its subsequent exploits under William W. Kirkland and William Macrae. Beyond recounting the brigade's military engagements, Hess draws on letters, diaries, memoirs, and service records to explore the camp life.
