current events is sometimes like watching pieces of a puzzle fall into place we know god’s purposes will stand and what
he has decreed will come to pass all of us think about the end times when we reflect on what will happen not only when we die but when this present age ends some combination of ideas images hopes and fears floods our minds in the future of everything william boekestein encourages us to allow our thoughts on the end times to be guided by god s word while combing the scriptures to find direction related to subjects like death the millennial kingdom the return of christ the resurrection judgment heaven and hell boekestein helps us cultivate a vision for the future that impacts our walk before god s face today table of contents part 1 introducing eschatology 1 why should i study the end times 2 how can i understand prophecy part 2 personal eschatology 3 we re all going to die 4 between death and the end part 3 general eschatology 5 he s coming again 6 a thousand years 7 the dead will rise 8 the final judgment 9 hell 10 the new heavens and earth part 4 applied eschatology 11 the end times and the kingdom of god 12 the end time and the mission of the church you can understand bible prophecy for yourself in today s tumultuous world we see current events aligning with what will happen during the tribulation period prophesied in the bible the uncertainty of what is to come has led many to ask questions about what will happen and when with this companion to the end times in chronological order author ron rhodes provides a strategically designed guide to help you unpack bible prophecy whether you journey through this workbook on its own or in tandem with the book this resource illuminates every key concept believers need to know and where they fit on god s timeline from the rapture to the tribulation to the return of christ and beyond let your heart be enriched nurtured and emboldened as you experience the blessing the book of revelation promises to those who study bible prophecy the end times in chronological order workbook will equip you to better understand and prepare for what god has made known about the future an investigation of what is to come the book guides the reader through 12 understandable in depth chapters the author delves into the controversy of the end times dealing primarily with premillennial pretribulation eschatology yet giving consideration to conflicting viewpoints it is a well documented and understandable guide to the end times and is used extensively as a text in bible colleges bible institutes and seminaries daniel s apocalypse revealing the end times is a bold and eye opening chapter by chapter interpretation of the biblical book of daniel from the importance of having faith in the last days to the exercising of that faith just to survive it shockingly reveals real life events and players of the last days which up to this point have divinely been kept secret subjection to the indelible truth of daniel s revelation will assuredly cause one to focus keenly on present day world events and to prepare for the soon coming apocalypse from the middle eastern politics of donald trump to the uk s 2016
Large numbers of Christians are making decisions based on the alleged end times aspects of modern politics. Such apocalyptic views often operate beneath the radar of much Christian thought and expression. In this book, historian Martyn Whittock argues that while the New Testament does indeed teach the second coming of Christ, complications occur when Christians seek to confidently identify contemporary events as fulfillments of prophecy. Such believers are usually unaware that they stand in a long line of such well-intended but failed predictions. In this book, Whittock explores the history of end times speculations over two thousand years, revealing how these often reflect the ideologies and outlooks of contemporary society in their application of scripture. When Christians ignore such past mistakes, they are in danger of repeating them. Jesus Whittock argues that we should teach a different way: I believe Jesus will return, but what more do I need to know? Do you tend to avoid studying books of the Bible like Revelation and Ezekiel? Does it feel like words such as rapture and apocalypse fly right over your head? It's common to dismiss these and other topics related to Bible prophecy as irrelevant and too complicated. But God's Word says, blessed is the one who reads aloud the words of this prophecy and blessed are those who hear it and take to heart what is written in it because the time is near. Revelation 1:3 Prepare to be blessed in an entertaining and meaningful way. The Non-Prophet's Guide to the End Times combines engaging illustrations with down-to-earth explanations to help you navigate the ins and outs of Bible prophecy. There is no better time to grasp God's plans for the future and for you than this very moment. Understanding the end times was never intended to be a book describing world conditions to predict the closeness of the appearing of Jesus for His church. Many books have come and gone, written with the purpose of comparing world events to scriptures about end times and Jesus' return; however, this book was not. It was designed to provide a Bible understanding of God's plan for the ages by weaving together the prophecies of the Old and New Testaments. It was also designed to describe the situations and events that will exist on earth at the time of the culmination of all things for these reasons, this book should be timeless. This book will challenge you to open your heart to the Word of God and your eyes to what is happening in the world. The atmosphere is lining up like never before spiritually, morally, politically, economically in every way. Don't let your heart fail for fear of what is coming on mankind and the world instead, look up in faith and anticipation; your redemption is closer than ever. For those new to Bible prophecy or if you already study the topic and would like to learn more signs of the end times, keys events to watch provides all of the core signs that are listed in various Bible passages. In addition, this work provides categories and subcategories. It is hard to find a complete and accurate source listing the end time signs...
which is why this book was written those covered are both in the social and geopolitical realm which teaches the nations that matter and why this is a first in the short book series intended to instruct on end time bible prophecy this first work in the series focuses on how to correctly identify the signs of the end times whether the world ends tomorrow or lasts for centuries we all exist in a climate of the end of days as thomas merton wrote we live in an age of two superimposed eschatologies that of secular anxieties and hopes and that of revealed fulfillment sometimes the first is merely mistaken for the second sometimes it results from complete denial and despair of the second the end of time obviously relates to history but just as obviously it cannot be contained within it legends of the end have always been with us every spiritual tradition that has a story of the beginning of things must also have one of their final end the end of the earth of the universe of time itself and just as all such myths symbolize invisible realities so every historical event is precisely an invisible reality made visible and tangible this book takes a look at eight legends of the end hindu buddhist zoroastrian jewish christian muslim hopi and lakota when these stories are placed side by side great differences and startling similarities become apparent similarities both in broad outlines and in minute details in light of this traditional lore the author begins and concludes with a penetrating spiritual meditation on the meaning of the end without a grasp of this meaning to date the end is impossible with such a grasp even the most accurate dating is irrelevant for to know the meaning of the end of days is already to be beyond it charles upton is a serious thinker from whom i have learned much his writing merits close attention huston smith author of the world s religions etc the end times saga is a christian fiction series consisting of seven novels times of turmoil book 1 the evans family sets out to destroy christian influence in the u s times of trouble book 2 the atwood family watch as the u s begins to fall apart around them as the end times approach times of trial book 3 when the president declares a dictatorship he begins the immediate persecution of christians shortly before the end times times of rebellion book 4 a christian young man becomes famous and rebels against everything he s been taught before the end times times of destruction book 5 in the first 3 1 2 years of the tribulation the new leader of the world has to deal with his new global economic system biblical sized disasters and two jewish witnesses who annoy the world s citizens times of judgment book 6 in the last 3 1 2 years of the tribulation the leader of the world teams up with lucifer to persecute the 144 000 jewish witnesses and execute anyone not taking the marks while trying to survive the bowl judgments that lead up to armageddon times of tribulation book 7 goes through the entire seven years as various characters try to survive the entire tribulation keywords christian fiction end times fiction dystopian apocalyptic
Introducing a new series of quick reference guides that answer the most asked questions about the Christian faith. Who will usher in Earth's final days? Are we living in the end times? Is it possible that the players depicted in the Book of Revelation could be out in force today, and if they are, would you know how to recognize them in Agents of the Apocalypse? Noted prophecy expert Dr. David Jeremiah does what no prophecy expert has done before - he explores the Book of Revelation through the lens of its major players: the exiled, the martyrs, the elders, the victor, the king, the judge, the 144,000, the witnesses, the false prophet, and the beast. One by one, Dr. Jeremiah delves into their individual personalities and motives and the role that each plays in biblical prophecy. Then he provides readers with the critical clues and information needed to recognize their presence and power in the world today. The stage is set, and the curtain is about to rise on Earth's final act. Will you be ready?

How much do you know about the end times? God has a glorious future in store for believers in Jesus Christ. How much do you really know about it? The Bible has a great deal to say concerning the end times. Have you ever wondered what is the rapture and when will it occur? Where does the nation of Israel fit in God's Kingdom program? What role will the antichrist play in the end times? When will he be revealed? What are the judgment seat of Christ and the great white throne judgment? What is the battle of Armageddon? Who are the beast and the false prophet? What is the second coming? These questions and many more are answered in this comprehensive overview of the end times from a biblical perspective.

The prophecies of Scripture regarding the end times are not meant to confuse or intimidate Christians. Instead, they provide hope for today and give us a glimpse of what lies ahead. Amillennialism, dispensational premillennialism, historic premillennialism, postmillennialism, preterism - these are difficult words to pronounce and even harder concepts to understand. A case for amillennialism is an accessible look at the crucial theological question of the millennium in the context of contemporary evangelicalism. Recognizing that eschatology the study of future things is a complicated and controversial subject, Kim Riddlebarger provides definitions of key terms and a helpful overview of various viewpoints. He examines related biblical topics as a backdrop to understanding the subject and discusses important passages of Scripture that bear upon the millennial question. Regardless of their stance, readers will find helpful insight as Riddlebarger evaluates the main problems facing each of the major millennial positions and cautions readers to be aware of the spiraling consequences of each view. Understand the battle before you enter it.

Daniel Revelation and other books pulling back the veil further to expand our view from four events to all the main events from the middle east to the ends of the earth. A chiastic reading of Daniel, Zechariah 1-6, Matthew 23-25 and Revelation all shown in ninety illustrations yields many solid answers to the following questions as well as to many others: How do Daniel 2 and 7 interact and why are the kingdoms metals and beasts? What is the purpose of Daniel’s Aramaic chapters and how do they affect the end times? Which parts of Daniel 11 are to be fulfilled in ancient times versus end times? What is the real identity of Mystery Babylon and how does this help us in the end times? How do the two scrolls of Revelation give greater understanding of the Trumpets and Bowls? What are the seven events of the end times and which one is next? All may seem incredible for one book but is nevertheless true. The chiastic reading of Bible prophecy revolutionizes our view of the end times and how we read Bible end time prophecy. The seventh and final novel in the Christian fiction series "The End Times Saga: Times of Tribulation" follows the entire seven-year period as various characters survive the seven trumpet and seven bowl judgments in the North American region, which is one of ten administrative regions set up by the Patriarch. The former mayor of Dallas becomes the second to rule over the region after the first one disappoints the world leader. The administrator hunts down new believers in Christ, makes the people in his region fear him, and deals with each disaster that affects his rule in Big Bend. Some doomsday preppers try to avoid the forces of the patriarch and the administrator of North America as they survive the various judgments. They come across new Christians who help them to come to understand how Jesus died for their sins before His second coming. Keywords: Christian fiction, Christian thriller, Christian end times fiction, apocalyptic, dystopian, tribulation period, rapture of Christians, Antichrist, Left Behind. This book identifies the beginning of the end times by taking a very literal approach to scripture. Dr. Charles Halff, a Christian convert from Judaism, discusses biblical prophecy with special emphasis on God's dealings with Israel in what he contends are the last days. Hank Hanegraaff reveals the code to Revelation, breaking the code of the book of Revelation has become an international obsession. The result according to Hank Hanegraaff has been rampant misreading of scripture, bad theology, and even bad politics and foreign policy. Hanegraaff argues that the key to understanding the last book of the Bible is the other sixty-five books of the Bible, not current events or recent history and certainly not any complicated charts. The apocalypse code offers sane answers to some very controversial questions: What does it mean to take the book of Revelation and the rest of the Bible literally? Who are the Antichrist and the Great Whore of Babylon? And what is the real meaning of 666? How does our view of the end times change the way we think about the crisis in the Middle East? Are two
thirds of all jews really headed for an apocalyptic holocaust the apocalypse code is a call to understand what the bible really says about the end times and why how we understand it matters so much in today s world provocative and passionate this fascinating book is a must read for everyone who s interested in end times controversies lee strobel author the case for the real jesus this book is a withering and unrelenting critique of the positions of apocalyptic enthusiasts tim lahaye every fan of the left behind series should read this book the fog will clear and common sense will return to our reading of the bible gary m burge professor of new testament wheaton college and graduate school a revealing look at the signs of the end times after decades of researching biblical prophecy bestselling author timothy dailey warns that end time events are closer than we realize connecting the dots between history archeological findings first hand accounts and scripture dr dailey shows that malevolent forces are converging to trigger the end of human history he reveals the hidden activity of gog and magog over the millennia worldly portals opening for the antichrist counterfeit signs and wonders and much more yet under the shadow of the apocalypse the world is witnessing an unprecedented spiritual revival and outpouring of the miraculous it s time for us to read the signs and take a stand knowing that jesus has promised to be with us to the end of the age jesus promised that the end times and his second coming would happen in the disciples generation matthew 24 34 new international version truly i tell you this generation will certainly not pass away until all these things have happened what precisely was promised to happen in that generation is the above verse a mistranslation did we misunderstand him did jesus change his mind did jesus give a false expectation on purpose was jesus just assuming he would return soon in trying to find a sensible answer i found myself asking the one question i was least willing to consider what if he returned on time this critical re examination of the traditional view of the end times compares biblical prophecy with historical accounts to uncover if christ returned in the first century life changing questions what does scripture say about the end of the world we hear so many opinions fears and ideas about this subject that it can be difficult to discern what the bible says but god has chosen to reveal to us his plan for the future not to divide or confuse us but so that we might live more purposefully today in this guide bible teacher michael rusten looks at the major biblical themes and passages related to the end times leading you to fresh insights on jesus second coming the antichrist the millennium the final judgment and more this studyguide offers a balanced biblical view of the end times and gives insight into the importance of these truths in our lives the sixth of seven novels in the christian fiction series the end times saga times of judgment goes through the last three and a half

from the middle eastern politics of donald trump to the uk's 2016 eu referendum large numbers of christians are making decisions based on the alleged end times aspects of modern politics such apocalyptic views often operate beneath the radar of much christian thought and expression in this book historian martyn whittock argues that while the new testament does indeed teach the second coming of christ complications occur when christians seek to confidently identify contemporary events as fulfilments of prophecy such believers are usually unaware that they stand in a long line of such well intended but failed predictions in this book whittock explores the history of end times speculations over two thousand years revealing how these often reflect the ideologies and outlooks
of contemporary society in their application of scripture when christians ignore such past mistakes they are in danger of repeating them jesus whittock argues taught a different way

Understanding the End Times 2013-05-13

understanding the end times was never intended to be a book describing world conditions to predict
the closeness of the appearing of jesus for his church many books have come and gone written with the purpose of comparing world events to scriptures about end times and jesus return however this book was not it was designed to provide a bible understanding of god s plan for the ages by weaving together the prophecies of the old and new testaments it was also designed to describe the situations and events that will exist on earth at the time of the culmination of all things for these reasons this book should be timeless this book will challenge you to open your heart to the word of god and your eyes to what is happening in the world the atmosphere is lining up like never before spiritually morally politically economically in every way don t let your heart fail for fear of what is coming on mankind and the world instead look up in faith and anticipation your redemption is closer than ever

for those new to bible prophecy or if you already study the topic and would like to learn more signs of the end times keys events to watch provides all of the core signs that are listed in various bible passages in addition this work provides categories and subcategories it is hard to find a complete and accurate source listing the end time signs which is why this book was written those covered are both in the social and geopolitical realm which teaches the nations that matter and why this is a first in the short book series intended to instruct on end time bible prophecy this first work in the series focuses on how to correctly identify the signs of the end times
whether the world ends tomorrow or lasts for centuries we all exist in a climate of the end of days as thomas merton wrote we live in an age of two superimposed eschatologies that of secular anxieties and hopes and that of revealed fulfillment sometimes the first is merely mistaken for the second sometimes it results from complete denial and despair of the second the end of time obviously relates to history but just as obviously it cannot be contained within it legends of the end have always been with us every spiritual tradition that has a story of the beginning of things must also have one of their final end the end of the earth of the universe of time itself and just as all such myths symbolize invisible realities so every historical event is precisely an invisible reality made visible and tangible this book takes a look at eight legends of the end hindu buddhist zoroastrian jewish christian muslim hopi and lakota when these stories are placed side by side great differences and startling similarities become apparent similarities both in broad outlines and in minute details in light of this traditional lore the author begins and concludes with a penetrating spiritual meditation on the meaning of the end without a grasp of this meaning to date the end is impossible with such a grasp even the most accurate dating is irrelevant for to know the meaning of the end of days is already to be beyond it charles orton is a serious thinker from whom i have learned much his writing merits close attention huston smith author of the world s religions etc

mark davidson author of daniel revisited has created a unique interpretation of end time bible prophecy using the ancient concentric reading method known as chiastics lost centuries ago it was rediscovered by seminary scholars in the eighteenth century this reading method reveals the form of
the scripture text via the flow of its words giving us a heightened sensitivity to the words in the text when combined with the words meanings we receive a greater understanding of prophetic scripture in daniel revisited davidson showed us the four signposts four events prophesied in daniel 7 and 8 and revelation 6 to occur in the middle east prior to the rapture and tribulation now in chronicles of the end times chiastic reading has been applied to all of daniel revelation and other books pulling back the veil further to expand our view from four events to all the main events from the middle east to the ends of the earth a chiastic reading of daniel zechariah 1 6 matthew 23 25 and revelation all shown in ninety illustrations yields many solid answers to the following questions as well as to many others how do daniel 2 and 7 interact and why are the kingdoms metals and beasts what s the purpose of daniel s aramaic chapters and how do they affect the end times which parts of daniel 11 are to be fulfilled in ancient times versus end times what is the real identity of mystery babylon and how does this help us in the end times how do the two scrolls of revelation give greater understanding of the trumpets and bowls what are the seven events of the end times and which one is next this all may seem incredible for one book but is nevertheless true the chiastic reading of bible prophecy revolutionizes our view of the end times and how we read bible end time prophecy

The End Times Are Here Now 2010-09-20

Hank Hanegraaff reveals the code to Revelation. Breaking the code of the book of Revelation has become an international obsession. The result, according to Hank Hanegraaff, has been rampant misreading of Scripture, bad theology, and even bad politics and foreign policy. Hanegraaff argues that the key to understanding the last book of the Bible is the other sixty-five books of the Bible, not current events or recent history, and certainly not any complicated charts. The Apocalyptic Code offers sane answers to some very controversial questions: What does it mean to take the book of Revelation and the rest of the Bible literally? Who are the Antichrist and the Great Whore of Babylon? What is the real meaning of 666? How does our view of the end times change the way we think about the crisis in the Middle East? Are two-thirds of all Jews really headed for an apocalyptic holocaust? The Apocalyptic Code is a call to understand what the Bible really says about the end times and why how we understand it matters so much in today's world. Provocative and passionate, this fascinating book is a must-read for everyone who's interested in end times controversies. Lee Strobel, author of The Case for the Real Jesus, says, "This book is a withering and unrelenting critique of the positions of apocalyptic enthusiasts. Tim LaHaye every fan of the Left Behind series should read this book. The fog will clear and common sense will return to our reading of the Bible." Gary M. Burge, professor of New Testament
