recording memories thoughts inspire your child when he needs a lift a broken bone hours later in a clunky cast for weeks or months sidelines from favorite activities if your child is like sammy s he gets glum and grumpy as days slog by help is pages away in sammy s broken leg oh no and the amazing cast that fixed it a whimsical book to entertain a child in a cast for
healing a broken bone or in a spica cast for hip correction hip dysplasia children in a cast will delight in a troupe of kisses who cheer for sammy and coach her to
be patient the kisses are sammy s secret only she can hear them how and when they whooshed into her life will amaze and amuse it all goes to prove one kiss for
a boo boo a bazillion kisses for a cast lavished with colorful quirky illustrations sammy s broken leg oh no and the amazing cast that fixed it is entertaining
educational and encouraging the book gives children and families realistic expectations about weeks or months of healing time eases children s fears calms
parents anxieties hands parents a tool to boost their child s and their own patience first off i m very sorry that you have an interest in this topic i suspect that
either you or someone that you know has broken a bone this is the kind of thing that seems to bedevil children but it turns out that it can strike any of us at any
age i suspect that by this point in life you already know how to deal with having a cold the flu or a stomach ache however there is a very good chance that
nobody ever told you how to deal with breaking a bone that is exactly why this book was written it turns out that your life is going to be turned upside down for
a while and i want to make sure that you know what is coming and help you to prepare to deal with it what you ll find inside recovering from surgery crutches vs
wheelchair what happens while you heal the 90 day plan emotional issues your recovery after your surgery is going to be in your hands nobody else s your
family and friends who have been so supportive so far are going to have to get a little tired of having to do things for you you need to realize this and start to both
take on more tasks and start to plan how you are going to manage your recovery life after the surgery for me was very similar to life before the surgery but there
was just a lot more to it now that i had had my broke bone repaired i found myself needing my leg immobilizer much more because i didn t want to somehow
step wrong or fall over and once again screw up my already broken leg during your recovery time your life is going to be more complicated and you are going to
have to make adjustments to accomplish things that you used to be able to do without thinking about them dealing with issues like this is exactly why this book
was created when i broke my leg i had no idea what i was in for as i went through the process of healing my bones learning to walk again and then regaining the
mobility that i had had before the accident i learned a lot i was not shy and i asked all of the questions that you will soon be asking the good news for you is that
i remember what i was told and all of that information has been included in this book no the book is not going to help your leg heal but it will tell you what to
expect and when to expect it knowledge is power and by reading this book you ll be able to take control over your recovery process this beautiful lined notebook
is perfect for recording memories thoughts inspiring quotations or even important appointments the practical a5 format fits in any pocket and makes the journal
the ideal everyday companion 120 lined pages offer plenty of space for notes perfect as a gift for family members loved ones make yourself and your loved ones
happy this beautiful lined notebook is perfect for recording memories thoughts inspiring quotations or even important appointments the practical a5 format fits
in any pocket and makes the journal the ideal everyday companion 120 lined pages offer plenty of space for notes perfect as a gift for family members loved
ones make yourself and your loved ones happy upon his return that dreadful trade still lingered in the minds of some parents those stories made some parents terrified of sending their children to a white man s school when they reached school going age hiding them instead or sending
only strangers also troubling for some residents of dubayabia region in those days called the traditionalists was the advent of foreign religions preaching against
and indiscriminately branding their african tribal customs and cultural practices including their safest and most cherished music and dances as unreligious or
worse as pagan practice for one child named mawudor in particular his father moltibor an ultraconservative muslim of the tukulor tribe decided to send him and
his elder brother baba to a faraway remote rural village called futa in a neighboring foreign country to study the qur an and acquire aspects of their tukulor
culture instead of sending them to school when moltibor shared his secret plan for his sons with his friend pa manika along with his other concerns about what
he perceived as the un tukulor customs and practices of his sons maternal relatives in dubayabia his friend tried unsuccessfully to talk him out of it moltibor s
grandparents also tried and failed in their own way to stop moltibor from sending their beloved grandson away while moltibor wanted to send his sons away to
acquire islamic and tukulor values instead of western education his son mawudor on the other hand liked and dreamed about attending the white man s school
and he also admired the customs and practices of his maternal relatives even fate it seemed was not on his father s side after just two years in that koranic school
in futa mawudor and his brother baba had an accident a fall in which mawudor broke his leg when mawudor was sent home following the accident and his father saw his broken leg he was devastated mawudor s life it seemed had been changed even the region of dubayabia s most famous herbalist mawudor s grandmother couldn t fix his broken leg to its original form mordibor realizing how handicapped his son mawudor had become changed his original plan and finally decided to send him to a white man s school together with his younger brothers it took a broken leg is a family story in which this author chronicles the eventful experiences of the main character mawudor back in time through a maze of raw african tribal beliefs customs and practices characterizing his people practicing muslims with keen
