Honda Style No.102 1999

The End of Detroit 1996-12

an in depth hard hitting account of the mistakes miscalculations and myopia that have doomed america s automobile industry in the 1990s detroit s big three automobile companies were riding high the introduction of the minivan and the suv had revitalized the industry and it was widely believed that detroit had miraculously overcome the threat of foreign imports and regained its ascendant position as micheline maynard makes brilliantly clear in the end of detroit however the traditional american car industry was in fact headed for disaster maynard argues that by focusing on high profit trucks and suvs the big three missed a golden opportunity to win back the american car buyer foreign companies like toyota and honda solidified their dominance in family and economy cars gained market share in high margin luxury cars and in an ironic twist soon stormed in with their own sophisticatedly engineered and marketed suvs pickups and minivans detroit suffering from a good enough syndrome and wedded to ineffective marketing gimmicks like rebates and zero percent financing failed to give consumers what they really wanted reliability the latest technology and good design at a reasonable cost drawing on a wide range of interviews with industry leaders including toyota s fujio cho nissan s carlos ghosn chrysler s dieter zetsche bmw s helmut panke and gm s robert lutz as well as car designers engineers test drivers and owners maynard presents a stark picture of the culture of arrogance and insularity that led american car manufacturers astray maynard predicts that by the end of the decade one of the american car makers will no longer exist in its present form

life in ingrid steffensen’s new jersey suburb was safe comfortable and predictable a college professor wife and mother of a preadolescent daughter her carefully cultivated world was comprised of the usual suspects family work book clubs yoga classes and date nights then one day thinking she’d be a good sport and maybe learn something about what made her car crazed husband tick she put a helmet on her head took her mini cooper to the racetrack and learned how to drive it really really fast soon what began as a whim became a full blown obsession and a freeing journey of self discovery in the eventful exhilarating year that followed her first lesson steffenson dove head first into high performance driving in the process she discovered the terrifying and addictive thrill of pushing her limits learning an entirely new set of skills and tackling danger head on and found that doing so liberated her in a way that she hadn’t even known she needed fast paced and fun fast girl is the quirky real life chronicle of how one woman stepped outside her comfort zone shrugged off the shackles of suburban conformity and changed her entire perspective on life through the unlikeliest of means racecar driving

The unique focus of the book is first to argue that civil justice no longer rests on historic foundations such as precedent fairness and impartiality but has shifted to power and influence. Vandall contends that reform in the law legislative, judicial, and regulatory is today driven by financial interests, not precedent, not a neutral desire for fairness and not to make it better. He uses products cases and policies for much of his argument. He characterizes these policies as a shift from a balanced playing field to negligence to one that favors injured consumers. The strict liability foreshadowed by Judge Traynor in Escola v. Coca-Cola in 1944 was not adopted until 1962 when Traynor wrote the majority opinion in Greenman v. Yuba Power Products for the California Supreme Court. Second, the book examines the role of persuasive non-governmental agencies such as the American Law Institute in reforming and shaping civil justice.

Peggy Grande's memoir is the book to read on Ronald Reagan's post-presidential years. Among the most unique and touching books ever done on the man, wonderful the American spectator in the President will see you now devoted Reagan insider Peggy Grande shares behind the scenes stories, intimate moments, and insights into one of America's most beloved presidents. Grande, who started in the office of Ronald Reagan as a college student and earned her way into a coveted role as the President's Executive Assistant, offers an unparalleled perspective on the post-presidency of a political icon. Grande's stories and never-before-seen photos show a unique private side to a public figure and leader who reshaped conservatism ushered in an era of prosperity and helped spur the end of the Cold War. Grande's book reveals what day-to-day life was like in Reagan's California office, including the former president's relationship with the first lady and his interactions with world leaders and everyday Americans. Grande recalls how Reagan kept a vigorous schedule for years after he left the White House. His robust engagement with others and ongoing political advocacy, despite his eventual Alzheimer's diagnosis, shows how Ronald Reagan remained true to core beliefs, his gentlemanly kindness, and his undying hope for his country. Today, the Reagan legacy looms over American politics, more than ever. Grande reminds readers why when Ronald Reagan was president, we not only loved ourselves but also loved America and the American values he represented—faith, optimism, and patriotism.

Motor Vehicle Safety 1988
there is a perversion of the american dream that says greed is good and that we should live love work and advance inside the fences drawn by politics religion and laws it is wrong through senseless inner city death the my lai massacre the taking of the pueblo a drug addled return from vietnam and a trip across the united states with a frisbee the authors tell how the american dream is still reachable but you have to get out beyond the fences to find it this book shows how two people did it
