the 7 habits of highly effective people by stephen r covey summary analysis preview the 7 habits of highly effective people is a self help book that outlines seven skills to develop in order to increase efficiency and have more rewarding interpersonal relationships
living according to the seven habits requires paradigm shifts that allow an individual to become flexible enough to change one is the shift in associations when considering independence and interdependence independence which is more valued by contemporary personality driven trends can cause problematic isolation and stifle cooperation interdependence describes a healthier approach that enables teamwork the seven habits also require an understanding of the difference between production or results and production capacity the processes that generate the results neither of which can be prioritized at the cost of the other the first three habits relate to private victories first people should restrict their efforts to the things that they can actually influence and not waste energy on things that cause worry but cannot be directly controlled please note this is key takeaways and analysis of the book and not the original book inside this instaread summary of the 7 habits of highly effective people overview of the book important people key takeaways analysis of key takeaways about the author with instaread you can get the key takeaways summary and analysis of a book in 15 minutes we read every chapter identify the key takeaways and analyze them for your convenience

note this is a summary guide and is meant as a companion to not a replacement for the original book please follow this link to purchase a copy of the original book amzn to 2evrk8e the book the book the seven habits of highly effective people 1989 is the enormously influential self help phenomenon that can teach you the principles of effectiveness once you
make these principles into habits you'll be well on your way to more success both in your personal and your professional life. Change your habits and your life with this must know self help method beloved by millions. About the author, Stephen Covey was an American author advisor and lecturer aside from books on the subject of motivational skills and self help, Covey also wrote religious texts. The 7 habits of highly effective people, which has sold over 20 million copies, is his most famous work. Introduction: Do you wish you were more effective in life? Maybe you'd like to achieve more at work or perhaps you'd like to be a more loving and devoted partner. Whatever it is that you want to improve, you'll only get there if you change yourself first and the surest way to achieve lasting personal change is to develop better habits. It's true that we're creatures of habit, not only how we act but who we are is to a large extent defined by our habits. Routines define our characters and like gravity pull our behavior in a certain direction, but what are the habits that can help you become effective? These summary guides outline an incremental and integrated program that will improve your personal and professional effectiveness. It focuses on the following habits: Being proactive, beginning with an end in mind, putting first things first, thinking win win, seeking first to understand then to be understood, synergizing, sharpening the saw. So dive in and join the millions who have already benefitted from this approach.
