**Documents of the Rise of Christianity 2019-03-14**
an introduction to the history of early christianity this reference provides roughly 60 primary source
documents from the first five centuries of the christian era each accompanied by explanatory
material christianity has been one of the most powerful influences on world history and for this
reason the world of the early christians figures prominently in film fiction and popular culture the first
centuries of christianity provided the foundation for the faith institutions of today this book examines
the history of early christianity through its use of primary texts written by early christians in doing so
it helps readers to understand that multiple sects of christianity competed for dominance and it
sheds light on the struggles of early christians that their differences entailed the book covers the first
centuries of the christian era with sections devoted to each century some 60 primary source
documents appear within those sections and each is accompanied by background information this
chronological arrangement helps readers to understand how christianity evolved over time and it
provides insights into the theological debates and persecutions that marked the lives of early
christians and characterized the early church

Get God 2000

laying the foundation for the series get god helps readers get to know god and deepen their
friendship with him this long overdue resource for teens youth leaders and parents includes
instructions for optional group use and many open ended discussion sparking questions the
comprehensive in depth discipleship program specifically is designed for young teens actively
working on a vital heart to heart sold out relationship with god

The Beveled Edge 2018-08-21

the beveled edge is a memoir of kevin braun who was born and raised in northern california his story
begins with two young parents lee and joy struggling to raise their boys on a homestead during the
early 1970 s the main character and his brother are forced to figure things out on their own when
their parents divorce and move to separate towns as he grows older the young man develops a
sense of overconfidence that is a cover for some of his shortcomings and personal failures he
eventually pursues a reckless lifestyle which leads into a world of love and loss several journeys are
made in an attempt to re discover who he actually is there will be a voyage across the sea of cortez
hiking alone in blinding snowstorms and a trip to europe with his best friend brian time and again
kevin finds that his only true salvation is found while pursuing an extreme passion for skiing the
slopes of lake tahoe and deep powder in snowbird utah gave kevin the strength and fortitude that he
was so desperately seeking the author lives with his wife jacqueline and their children on five acres
of rugged land near santa fe new mexico

Give God the Glory! 2001

book 1 in the give god the glory series challenges its readers to desire a closer relationship with god
in doing so our connection to and relationship with him unleashes the power that is needed to fulfill
ones divine purpose this book now in its fifth printing shares several important messages regarding
worship including how to be a praise and worship leader praise and worship and is ranked amongst
the top worship books in its category it is written for the christian and nonchristian alike author
teacher and ministry leader kevin wayne johnson enthusiastically embraces gods word for his life
and through the words of his subtitle encourages his readers to know god and do the will of god as it
relates to their lives reading this powerful and life changing book will answer the reader s specific
questions or concerns such as lord heal my hurt lord i want to be whole how great are you lord and
lord heal my hurts this book is systematically divided into two parts with three chapters each
throughout the 163 pages readers will learn that you have potential you have what it takes he did
this for you and he did this just for you that is god loves us so much that he gave his son jesus to
ensure our victory in this world supported by the scriptures throughout the central theme of each
chapter focuses on specific biblical principles that challenge and encourage each of us to give god
the glory understanding who god is and who needs god is pivotal to god and his people several
areas of learning include that fact that god made us all the pleasures of god how to hear from god
how to experience god how to overcome your disappointment with god how he is regarded as a
faithful god the sovereignty of god the pursuit of god and what it means to put on the armor of god
whether you are considered amongst those who are bible beginners bible believers or bible
explorers this foundational book is key to a fulfilling experience with the entire series this initial best
selling christian book in the series continues to experience strong sales through a number of
sources including the evangelical bookstore faith bookstore religious bookstore the christian
bookstore christian bookshops the directory of christian bookstores and everywhere that christian
books and bibles are sold listed amongst best christian books readers can also locate this great
christian book through our favorite christian book list christian book review and various publications
that track christian book sales new african american christian author kevin wayne johnson highly
recommends this foundational book to men women and teens to know god and do his will in our
lives

Saving Our Children from the First Amendment 2006-03

the first amendment is vital to our political system our cultural institutions and our routine social
interactions with others in this provocative book kevin saunders asserts that freedom of expression
can be very harmful to our children making it more likely that they will be the perpetrators or victims
of violence will grow up as racists or will use alcohol or tobacco saving our children from the first
amendment examines both the value and cost of free expression in america demonstrating how an
unregulated flow of information can be detrimental to youth while the great value of the first
amendment is found in its protection of our most important political freedoms this is far more
significant for adults who can fully grasp and benefit from the freedom of expression than for children constitutional prohibitions on distributing sexual materials to children saunders proposes should be expanded to include violent vulgar or profane materials as well as music that contains hate speech saunders offers an insightful meditation on the problem of protecting our children from the negative effects of freedom of expression without curtailing first amendment rights for adults

**Monthly Catalogue, United States Public Documents 1979**

throughout history obscenity has not really been about sex but about degradation sexual depictions have been suppressed when they were seen as lowering the status of humans furthering our distance from the gods or god and moving us toward the animals in the current era when we recognize ourselves and both humans and animals sexual depiction has lost some of its sting its degrading role has been replaced by hate speech that distances groups whether based on race ethnicity gender or sexual orientation not only from god but from humanity to a subhuman level in this original study of the relationship between obscenity and hate speech first amendment specialist kevin w saunders traces the legal trajectory of degradation as it moved from sexual depiction to hateful speech looking closely at hate speech in several arenas including racist homophobic and sexist speech in the workplace classroom and other real life scenarios saunders posits that if hate speech is today s conceptual equivalent of obscenity then the body of law that dictated obscenity might shed some much needed light on what may or may not qualify as punishable hate speech

**Monthly Catalog of United States Government Publications 1979**

a young technician jensen disappears from an activity on the earth unexpectedly he appears at a remote planet millions of light years away colia and he happened to be rescued by a girl laura and later they meet another girl liya both girls have similar experiences with jensen they overcome the various difficulties and build the house and grow the grain and vegetables by a very occasional opportunity they find that layin lake s layin island has an astonishing secret discovering the secret they soon find a surprising fact in the old colia there is an advanced civilization that disappeared at least five hundred years before during a tragic space disaster jensen and their partners discover and use the skill that they find from layin island to rescue scott and his sister who are associated with that catastrophe five hundred years ago catching the opportunity jensen and his group start to struggle with the second harmful rays disaster finally with the help from a super civilization they eventually start to rebuild their new home planet colia the whole story is amazing and attractive especially jensen and his partner s romantic and passionate stories leading to an unexpected
